

CHAIRMAN'S

Message

The Gitanjali Group has come a long way in the last few decades and my heartfelt thanks goes out to each and every one of you who have played a role in this memorable journey. Having conquered many important business frontiers, we now want to devote some time, attention and resources to another long cherished dream that we have held – that of giving back to the society at large.

Our CSR initiative under the name Sambhav will bring together the different social programs that Gitanjali has been associated with over the years. These are programs in the fields of education, health, providing employment to PWDs. We will be integrating all of them and our own different initiatives like Saksham, Saakshar, Sujyot and Sneh. The focus will be both on strengthening the existing programs as well as developing new ones too.

We are now aiming to take this CSR initiative to new heights and are in the process of channelising all our strengths and efforts to form a strong CSR team within the company to encourage and promote a wide range of social welfare activities internally or in partnering with other NGOs and government bodies.

Come, join hands with us for making the journey beautiful.

Mehul Choksi
Chairman
Gitanjali Group

HIGHLIGHTS AND

Awards

Gitanjali Gems Limited has won the prestigious "Best Employer" award in the National Awards for the Empowerment of Persons with Disabilities 2009 scheme conducted by the Ministry of Social Justice and Empowerment, Government of India for the efforts undertaken by the company at its unit in the Rajiv Gems Park, Hyderabad.
