Models's day out!

It was model's day out on Monday as 50 of the city's best known models showcased a riot of colours at Aza. Hostess Alka Nishar who launched designer Swapnil Shinde's exclusive 'Models as Muse' collection in a glittering red carpet event graciously welcomed the guests as they walked in

to take a look at the designer creations. Informs Alka, "we at Aza are delighted to launch this line and wanted to host a very stylish red-carpet affair to keep with the glamour, style and luxury of Swapnil's collection." Binal Trivedi and Diandra Soares were the first ones to walk in, wearing lovely creations by the designer. While Simran Kaur Mundi's beautiful blue dress caught everyone's eye, it was Shriya Kishore who looked bright and elegant in a yellow outfit that made her stand out. Sandhya Shetty, Dimple Sharma, Neha Ahuja, Sania Sheikh, Surily Joseph and Rebecca Watkins were some of the other leggy models who looked hot in Swapnil's creations. Elena Meswani, Aditya Hitkari and Divya Palat were some of the guests who caught the fashion fever here.
